

ARE YOU...

- ... **native English** or C2-level certified?
- ... looking for a voluntary **job to integrate** in the Dutch society?
- ... eager to **help Dutch primary school teachers** improve their English skills?
- ... looking for a great opportunity to **meet new people** and build a **network**?

THEN THE TEACHERS & **SPOUSES PROJECT** IS LOOKING FOR YOU!

Primary School 't Slingertouw in Eindhoven (Meerhoven) is teaching its pupils English from the age of four. Last year, they started the *Teachers & Spouses Project* in which native English speaking spouses were linked to primary school teachers to help them improve their English grammar skills and boost their level of confidence in speaking English. The project was a huge success for both the teachers and the spouses. The project will have a follow up this year. Therefore we are looking for spouses who are willing to help these teachers **1 to 2 hours per week**, from **January till June 2017**. You will plan the meetings yourself on times which suit you and the teacher best.
